Present Appointment

Position

Reader in Head & Neck Surgery,

Liverpool Head & Neck Centre, Department of Molecular & Clinical Cancer Medicine, University of Liverpool

Honorary Consultant in Oral & Maxillofacial/Head & Neck Surgery

Liverpool University Hospitals NHS Foundation Trust

My joint role as a Head & Neck Surgeon and Clinical Academic, has me working within the United Kingdom's largest Head & Neck Cancer Unit (Aintree H&N Unit) and one of the most dynamic and progressive Head & Neck Cancer research groups (UoL). My clinical practice is focused on the Head & Neck Cancer Surgery and Reconstruction, particularly oral cavity malignancy with or without microvascular free tissue transfer (free flap reconstruction).

Professional Appointments & Memberships

Position

Chief Investigator or Co-C/I for UK portfolio Clinical trials in Head & Neck Surgery

National Institute for Health Research (NIHR) Clinical Research Network (CRN)
Northwest Coast Head & Neck Surgical Subspecialty Lead

National Cancer Research Institute (NCRI) – Head & Neck Surgery Clinical Studies Group (CSG; Member) & Localised Therapies CSG Subgroup (Member)

Enhanced Recovery Lead for OMFS - Aintree University Hospital

British Association of Oral & Maxillofacial Surgery (Fellow)

British Association of Head & Neck Oncologists (Member of Council)

Reviewer for research grant awarding bodies and peer-reviewed clinical/academic journals

Medico-Legal Experience

I undertake medico-legal work in the form of clinical negligence claims (standard of care, causation, condition and prognosis etc.) relating to Head & Neck Cancer surgery and reconstruction.

I have attended dedicated courses in medico-legal report writing and I remain willing to act for defendants or claimants. Typically, reports will be completed within 2-3 weeks of instruction and receipt of relevant documentation.
