

Professor John A Tidy

BSc, MBBS, MD, FRCOG

Retired from clinical practice 31st December 2023
GMC Registration Number: 2567563
MDU: 170931B

Recent Positions

1996 - 2023

Consultant in Gynaecological Oncology • Sheffield Teaching Hospitals
NHS Foundation Trust

January 2013

Honorary Professor of Gynaecological Oncology • University of
Sheffield

- My main areas of interest are gynaecological oncology, pre-invasive disease of the ano-genital tract and gestational trophoblastic disease.
- I was responsible for diagnosis, surgical treatment and follow up care of women with gynaecological cancer and pre-invasive disease of the ano-genital tract at Sheffield Teaching Hospitals NHS Foundation Trust.
- I was director of the Supra-regional Gestational Trophoblastic Screening and Treatment Centre at Weston Park Hospital.
- I was awarded an honorary Professorship in Gynaecological Oncology by the University of Sheffield in January 2013.
