MEDICO-LEGAL EXPERIENCE

I have been undertaking medico-legal work since 1998. I have provided approximately 1000 reports since then and undertake 25-30 reports/annum. My claimant:defendant:joint report ratio is 60:30:10. I provide both breach of duty/causation and condition/prognosis reports. I am able to provide reports within 30 days of receiving instructions and documents. In addition, I have provided reports for the GMC, MDU, MDDUS, Parliamentary Ombudsman as well as being instructed by external Trusts to investigate poor performance and serious incidents.
